PHIL 4210/6210
SOCIAL AND POLITICAL PHILOSOPHY

3:30-4:45 PM TUESDAY/THURSDAY (Peabody Hall 220)

Professor Richard Dien Winfield
Room 103 Peabody Hall
Tel. 542-2811
Email: winfield@uga.edu
OFFICE HOURS: 2:30-3:15 PM, TH, F

The course will critically examine what the economy should be and what relation the economy should have to the state. The fundamental options of economic theory will be examined in connection with the fundamental options of normative social and political philosophy, all in order to conceive the just economy and its relation to the just state.

All academic work must meet the standards contained in “A Culture of Honesty.” All students are responsible to inform themselves about those standards before performing any academic work.
